## Minutes:

CHAIR GOYNES declared the Public Hearing open.

PETER LOWENSTEIN, Planning and Development Department, stated the requested use does not meet the distance separation requirements. He recommended denial as the use is not compatible with the surrounding area.

SCOTT SABRAW, 8610 South Eastern Avenue, appeared on behalf of the applicant. He stated that location is appropriate and noted the actual location exceeds the distance requirements from residential homes. He stressed that the applicant focuses solely on auto title loan business and respectfully requested approval.

COMMISSIONER TROWBRIDGE expressed his opposition, pointing out this location is next door to a bank that offers 24-hour services. He suggested staff examine the differences between the requirements for a financial institution specified and a bank.

CHAIR GOYNES declared the Public Hearing closed.
